Great! Thank you.

I have attached all of the form 3's for the silencers. I have also attached any MG paperwork from Kevin's license that we have in the building. I have highlighted the spreadsheet to show which MG paperwork I found.

Thanks,

Attached is a list of the items that were acquired in the acquisition. I know you guys had worked with Roger on this, but I'm trying to get it all cleared up with Mark Barnes now. I can't remember if we already made copies of all of the Form 3 or 4's that are on this list. If we have copies could you send them to me. If we don't have copies could you pull all of the forms and scan them to me.

1. Need copies of items highlighted in yellow showing they are on the Lawrenceville license
2. Need copies from Kevin's records and the old Corp. license for the items not highlighted in yellow

I have another meeting next Friday with Mark so if we could get this done by Wednesday I would appreciate it.

Thanks,  
Lynsey
